SECTION 1 LISTING PROCEDURES

Section 1 Listing Procedures

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the territorial jurisdiction of the multiple listing service, and are taken by participants on EXCLUSIVE RIGHT TO SELL or EXCLUSIVE AGENCY shall be delivered to the multiple listing service within 24 hours after all necessary signatures of seller(s) have been obtained: *(Amended 11/01)*

- [a] single family homes for sale, lease or exchange
- [b] vacant lots and acreage for sale lease or exchange
- [c] two-family, three-family, and four- family residential buildings for sale, lease or exchange
- [d] commercial buildings for sale lease or exchange

The multiple listing services shall not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the multiple listing services. However, the multiple listing services, through its legal counsel:

*. may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participants.

*. assure that no listing form filed with the multiple listing services establishes, directly or indirectly, any contractual relationship between the multiple listing services, and the client (buyer or seller).

The multiple listing services shall accept exclusive right- to-sell listing contracts and exclusive agency listing contracts and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other participants of the multiple listing service acting as subagents, or both. *(Amended 1/96)*

The listing agreement must include the seller's written authorization to submit the agreement to the multiple listing services. *(Amended 11/96)*

The different types of listing agreements include:

- [a] Exclusive Right to Sell [c] Open
- [b] Exclusive Agency [d] Net

The service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted except where required by law, because the inherent nature of an open listing is such as to usually not include the authority to cooperate and

compensate other brokers and inherently provides a disincentive for cooperation. (Amended 4/92)

The **exclusive right-to-sell** listing is the conventional form of listing submitted to the multiple listing services in that the seller authorizes the listing broker to cooperate with and to compensate other brokers. (Amended 4/92)

The **exclusive right- to- sell** listing is the conventional form of listing submitted to the multiple listing service in that the seller authorizes the listing broker to cooperate with and to cooperate and compensate other brokers. (Amended 4/92)

The **exclusive agency** listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right- to- sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right- to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right- to-sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right- to-sell listings with prospect reservations. (Amended 4/92)

Note 2: A multiple listing service does not regulate type of listings its members may take. This does not mean that a multiple listing service must accept open listings (except where acceptance is required by law) and net listings and it may limit its service to listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the multiple listing service.

Note 3: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. (Adopted 11/92)

Section 1.01 Auction Property

- 1) The listing agent must be a Real Estate Broker.
- 2) The listing agent must be in good standing with the local association, and the MLS.
- 3) The listing agent must have an Exclusive Right-to-Sell or Exclusive Agency contract signed by the seller (or a contract drawn up by an attorney) and contain verbiage stating that they have given approval to have the property listing in the MLS.
- 4) There must be an offer of cooperation and compensation.
- 5) If listing in the MLS, the listing must contain the following:
 - a. Specific information in “remarks” regarding buyer registration (should be in the remarks as to how buyers are to properly register).

- b. The listing should list the “reserve price” or zero if no reserve is listed.
 - c. The fact that it is an auction property should be listed in the remarks.
 - d. The commission rate should be listed at the lowest offer i.e. 1%, etc.
 - e. The AGENT CONFIDENTIAL remarks should state if applicable increment commission split based on final sales price, up to _____%”.
- 6) The broker must be a member of the local association or co-list with another broker that is a member in order to list thru that local association.
- 7) If requested by the local association, the listing agent shall provide a copy of the listing contract and it shall be delivered within 24 hours of request.

Section 1.1 Types of Properties

Following are some of the types of properties that may be published through the service, including types described in the preceding paragraph that are required to be filed with the service and other types that may be filed with the service at the participant's option provided, however, that any listing submitted is entered into within the scope of the participant’s licensure as a real estate broker:

(Amended 11/91)

- | | |

| [1] residential | [6] motel-hotel |
| [2] residential income | [7] mobile homes |
| [3] sub-divided vacant lot | [8] mobile home parks |
| [4] land and ranch | [9] commercial income |
| [5] business opportunity | [10] industrial |

Section 1.1.1 Listings Subject to Rules And Regulations of the Service

Any listing taken on a contract to be filed with the multiple listing services is subject to the rules and regulations of the service upon signature of the seller(s).

GJARA Subset on Entering a listing into the MLS only when you have a signed listing contract

The listing broker must have the Seller’s written authorization to list the property. Do not list the property in anticipation of the signature—you must have the signature in hand. If the property was previously listed with another office, the first listing must be canceled or expired in the MLS before the new listing may be entered. Do not copy the information from the previous listing. You must research and find the information yourself, so you know it to be accurate.

Section 1.2 Detail on Listings Filed with the Service

A listing agreement or property data form, when filed with the multiple listing service by the listing broker, shall be complete in every detail which is ascertainable as specified on the

property data form.

GJARA Subset on Complete and Accurate Data

Accurate and complete data: Any information requested on the Listing Input Form with an asterisk is **required** information and must be included without exception. GJARA requires that all information (not just asterisked) be included. All information entered in the property listing must be accurate. Some common examples of incorrect information:

- Designating a nonconforming bedroom as a regular bedroom;
- Entering the property in the wrong area;
- Type of property whether it is Site Built or Factory Built
- Entering a listing more than twice that fits into multiple categories
- Having a real estate company's logo, branding, cell numbers, etc. in the remarks section
- Not having the primary photo, a truthful picture of the property with no signage or self-promotion
- Branding a virtual tour in the MLS
- Lack of room dimensions
- Lot dimensions the same as total acreage. Should be a measurement (120x85)
- Calling a bi-level a 2-story home

GJARA subset on Contract Effective Date:

As an agent you rely on timely access to new listings to best serve your buyers. If you work with sellers, they rely on you to make their property available to the widest range of buyers as quickly as possible.

To ensure these needs are met, listings must be entered into GJARA MLS no later than 24 hours after the effective date of the listing contract (including weekends but excluding state or federal holidays).

If the client wants to withhold the listing ("office exclusive") from the MLS, the listing agent must submit the appropriate certification signed by the.

(Amended June 7, 2018 to take out requirement of submitting actual listing agreement)

GJARA Subset on Promotional information in Remarks, Driving Directions, Photo Uploads, or Associated Documents

The MLS is a database of information describing properties for sale. It is not to be used for marketing and promotion for agents, listing office or third-party services.

The purpose of the Remarks field is to provide information about the listed property to agents and potential buyers.

The purpose for Media Uploads is to add additional photos, documents such as inspection reports or supplemental information about the property, and URL links to unbranded virtual tours of the property.

Agent Confidential Remarks can be used to describe financing, closing costs, buyer incentives specifically related to the property, or as a continuation of Public Remarks. Driving Directions can be used for driving directions specifically related to the property.

When entering text in any of the public fields, Public Remarks, Media Uploads, Driving Directors, it is important to only describe the physical traits of the property for sale and its vicinity and incentives provided by the seller to the buyer specifically related to the property and with specific purpose.

For example, you may not include:

- The listing agent's name or phone number;
- Any kind of agent, broker or third party promotional material (such as incentives to use a preferred mortgage or title company).
- Incentives offered by agent or broker or other third party.
- Commission details
- Web Links: If you link out to a virtual tour, it must only describe the property for sale and its vicinity; however, it must not include the listing broker office or agent promotion. No other contact or promotional information is allowed, including links to other areas of the Web site where there is promotional information. Virtual Tours are the only web links allowed in any field in your listing.
- Marketing and promotional messages. You may list the name of the builder or brand names (for example "Anderson Windows") to the extent that they describe the property.
- Acceptable: Built by Acme Homes of Minnesota, Inc.
- Unacceptable: Built by Acme Homes of Minnesota, Inc.—Colorado's premiere builder of quality homes.
- Any incentives for the buyer or the buyer's agent that are not specifically related to the property in the remarks section.
- Acceptable: Seller will pay \$3,000 towards closing costs. Seller will pay Association fees for one year. Price Reduced by \$15,000.
- Unacceptable: Free Plasma TV for buyer. Seller will give trip to Mexico to buyer and buyer's agent. \$500 Gift Card.
- Driving Directions: Must include actual driving directions, and not "Call Listing Agent". The more detailed the better

There are many ways agents may promote and market their business outside of the MLS. Keeping the MLS database free of agent/business promotion allows you to share valuable

property information (that you pay to access) with your customers without encouraging them to go around you to contact other agents directly or to leave you for one of your competitors.

GJARA Subset on Photos

A property photo must be loaded onto GJARA, within 24 hours of the listing's entry on the service days that includes weekends but excludes state and federal holidays.

A photo is required for any listing that is property type Single-Family, Multi-Family, Vacant Land, or Commercial/Mixed Use.

A photo is required regardless of listing status (active, temporarily off the market, pending, sold, cancelled, or expired). The photo has the following requirements:

- No broker/agent/builder signs or promotional materials are allowed.
- No text (regardless of message) is allowed on any photographs submitted.
- The photo must only depict the property for sale.
- Do not copy photos from the listing of another Participant and upload them to your listing. Use your own photos.
- The photo must be fully appropriate and may not be digitally altered (photoshop'd) in a manner that does not accurately reflect the property and its surroundings.
- Primary Photo must be a picture of the property, and not a view image or interior photos

Section 1.2.1 Limited Service Listings

Listing agreements under which the listing broker will provide one, or more, of the following services required in the approved Colorado Real Estate Commission contract:

- a) arrange appointments for cooperating brokers to show listed property to potential purchasers, but instead gives cooperating brokers authority to make such appointments directly with the seller(s)
- b) accept, and present to the seller(s) offers to purchase procured by cooperating brokers but instead gives cooperating brokers authority to present offers to purchase directly to the seller(s).
- c) advise the seller(s) as to the merits of offers to purchase
- d) assist the seller(s) in developing, communicating, or presenting counter-offers
- e) participate on seller's(s') behalf in negotiations leading to the sale of the listed property. Will be identified with an appropriate code or symbol (e.g., LR or LS) in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide sellers(s), and any potential for cooperating brokers being asked to provide some, or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property.

Note: Adoption of Section 1.2.1, Limited Service Listings, is optional and a matter to be determined by each MLS. (Adopted 5/1)

Section 1.2.2 DELETED 3.30.18 BY GJARA

Section 1.3 Exempt Listings

If the seller refuses to permit the listings to be disseminated by the service, the participant may then take the listing (office exclusive) and such listing shall be filed with the service but not disseminated to the participants. Filing of the listing should be accompanied by certification signed by the seller that he does not desire the listing to be disseminated by the service.

Note: Section 1.3 is not required all (indicate type [s] of listings [s] accepted by the service) listings to be submitted by a participant to the service.

Section 1.4 Change of Status of Listing

Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the service within twenty-four (24) hours (except weekends, holidays, and postal holidays) after the authorized change is received by the listing broker. This includes status change when offer to purchase is accepted by the seller, including short sales.

GJARA Subset on Change of Status of Listing

If you've ever called to schedule a showing only to find that the property is pending, and the Listing Office neglected to change the status, then you probably understand the importance of timely entry of changes. It ensures that listings are up-to-date, and you are providing your customers with the most current information.

The listing office is required to disclose that there is a contingency when scheduling a showing UC-Contingent/TB.

Most fines include a notice to correct the data (changing inaccurate or missing data, removing promotional information, canceling a duplicate listing, changing a listing status, etc.). The fine will increase if the correction is not made within 48 hours (including weekends and excluding state or federal holidays).

This rule does not impact most agents but is in place to discourage flagrant disregard for the GJARA MLS Rules.

Section 1.5 Withdrawal of Listing Prior to Expiration

Listings of property may be withdrawn from the multiple listing services by the listing broker before the expiration date of the listing agreement provided notice is filed with the service including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his or her exclusive relationship with the listing broker has been terminated, the multiple listing service may remove the listing at the request of the seller. *(Adopted 11/96)*

Section 1.6 Contingencies Applicable to Listings

Any contingency or conditions of any term in a listing shall be specified and noticed to the participants.

Section 1.7 Listing Price Specified

The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings, unless the property is subject to auction. *(Amended 11/92)*

Section 1.8 Listing Multiple Unit Properties

All properties which are to be sold or which may be sold separately must be indicated individually in the listing, and on the property data form. When part of a listed property has been sold, proper notification should be given to the multiple listing service.

Section 1.9 No Control of Commission Rates or Fees Charged to Participants

The multiple listing service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by participants. Further, the multiple listing service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating participants or between participants and non- participants.

Section 1.10 Expiration of Listings

Listings filed with the multiple listing service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed. *(Amended 11/01)*

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the service. *(Amended 11/01)*

Section 1.11 Termination Date on Listings

Listings filed with the service shall bear a definite and final termination date, as negotiated between the listing broker and the seller.

Section 1.12 Service Area

Only listings of the designated types of property located within the service area of the MLS are required to be submitted to the service. Listings of property located outside the MLS's service area will (or will not) be accepted if submitted voluntarily by a participant but cannot be required by the service. (Amended 11/17)

Note: Associations must choose whether the service will accept listings from beyond its service area into the MLS compilation. (Amended 11/17) M

Section 1.13 Listings of Suspended Participants

When a participant of the service is suspended from the MLS for failing to abide by a membership duty (i.e. violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligation except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the suspended participant shall, at the participant's option, be retained in the service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a participant has been suspended from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the suspended participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended participant's listings from the MLS, the suspended participant should be advised in writing of the intended removal so that the suspended participant may advise his clients.

Section 1.14 Listings of Expelled Participants

When a participant of the service is expelled from the MLS for failing to abide by a membership duty (i.e. violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the expelled participant shall, at the participant's option, be retained in the service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a participant has been expelled from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the expelled participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled participant's listings from the MLS, the expelled participant should be advised in writing of the intended removal so that the expelled participant may advise his clients.

Section 1.15 Listings of Resigned Participants

When a participant of the service resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned participant's listings from the MLS, the resigned participant should be advised in writing of the intended removal so that the resigned participant may advise his clients.

SECTION 2 SELLING PROCEDURES

Section 2 Showing and Negotiations

Appointments for showings and negotiations with the seller for the purchase of listed property filed with the multiple listing service shall be conducted through the listing broker, except under the following circumstances:

- [a] the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- [b] after reasonable effort, the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers. (Amended 4/92)

Section 2.1 Presentation of Offers

The listing broker must present the offer as soon as possible or give the cooperating broker a satisfactory reason for not doing so. (Amended 4/92)

Section 2.2 Submission of Written Offers and Counter-offers

The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated. (Amended 11/05)

Section 2.3 Right of Cooperating Broker in Presentation of Offer

The cooperating broker (subagent or buyer agent) or his/her representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the

seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's, or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. (Amended 4/92)

Section 2.4 Right of Listing Broker in Presentation of Counter-offer

The listing broker or his/her representative has the right to participate in the presentation of any counter-offer made by the seller, or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee. (Except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions. (Adopted 11/93)

Section 2.5 Reporting Sales to the Service

Status changes, including final closing of sales and sale prices, shall be reported to the multiple listing services by the listing broker within 24 hours after they have occurred. If negotiations were carried on under Section 2(a) or (b) hereof, the cooperating broker shall report accepted offers and prices to the listing broker within 24 hours after occurrence and the listing broker shall report them to the MLS within 24 hours after receiving notice from the cooperating broker. (Adopted 11/11)

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants. (Amended 11/01)

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate

services, including appraisals and other valuations, to customers and clients, and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. (Adopted 11/11)

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. (Adopted 11/11)

Section 2.6 Reporting Resolutions of Contingencies

The listing broker shall report to the multiple listing services within twenty-four (24) hours that a contingency on file with the multiple listing services has been fulfilled or renewed, or the agreement cancelled.

Section 2.7 Advertising of Listings Filed with the Service

A listing shall not be advertised by any participant other than the listing broker without the prior consent of the listing broker.

Section 2.8 Reporting Cancellation of Pending Sale

The listing broker shall report immediately to the multiple listing services the cancellation of any pending sale and the listing shall be reinstated immediately.

Section 2.9 Disclosing the Existence of Offers

Listing brokers, in response to inquiries from buyers or cooperating brokers shall, with the seller’s approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose if asked whether offers were obtained by the listing licensee or by another licensee in the listing firm, or by a cooperating broker. (Amended 11/08)

Section 2.10 Availability of Listed Property

Listing brokers shall not misrepresent the availability of access to show or inspect listed property.

(Amended 11/05)

SECTION 3 REFUSAL TO SELL

If the seller of any listed property filed with the multiple listing services refuses to accept a written offer satisfying the terms, and conditions stated in the listing, such fact shall be transmitted immediately to the service and to all participants.

SECTION 4 PROHIBITIONS

Section 4 Information for Participants Only

Any listing filed with the service shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing broker.

GJARA Subset on Password Confidentiality

Keep your GJARA MLS ID and password private: Access to the MLS is one of the things that add value to customers. The GJARA MLS ensures that only authorized agents, appraisers and office staff may access the system to protect this advantage and ensure that there is no inappropriate use of the data that can harm you or the industry. Do not share your GJARA MLS password under any circumstances with anyone, including colleagues, customers, non-member agents, friends and family. Also, be on guard for moving companies and other third-party companies that may attempt to strike a deal with you to share your access (if you are contacted for this purpose, please inform GJARA immediately).

Section 4.1 For Sale Signs

Only the, for sale sign of the listing broker may be placed on a property. *(Amended 11/89)*

Section 4.2 Sold Signs

Prior to closing, only the sold sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. (Amended 4/96)

Section 4.3 Solicitation of Listing Filed with the Service

Participants shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.

NOTE: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior

to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 4.4 Use of the Terms MLS and Multiple Listing Service

No MLS participant, subscriber or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers, and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. *(Adopted 11/07)*

SECTION 5 DIVISION OF COMMISSIONS

Section 5 Compensation Specified on Each Listing

The listing broker shall specify, on each listing filed with the multiple listing service, the compensation offered to other multiple listing service participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the

listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid. (Amended 11/98)

In filing a property with the multiple listing service of an association of REALTORS®, the participant of the service is making blanket unilateral offers of compensation to the other MLS participants, and shall therefore specify on each listing filed with the service, the compensation being offered to the other MLS participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell. * (Amended 11/96)

*The compensation specified on listings filed with the multiple listing service shall appear in one of two forms. The essential and appropriate requirement by an association multiple listing service is that the information to be published shall clearly inform the participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. By showing a percentage of the gross selling price
2. By showing a definite dollar amount (Amended 5/10)

The listing broker retains the right to determine the amount of compensation offered to other participants (acting as, subagents, buyer agents, or in other agency or non- agency capacities defined by law) which may be the same or different. (Amended 11/96)

This shall not preclude the listing broker from offering any MLS participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or other participants in the service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount. (Amended 5/10)

Note 1: The multiple listing service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the association multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The association multiple listing service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

Note 2: The listing broker may, from time to time, adjust the compensation offered to other multiple listing service participants for their services with respect to any listing by advance published notice to the service so that all participants will be advised. (Amended 4/92)

Note 3: The multiple listing service shall make no rule on the division of commissions between participants and nonparticipants. This should remain solely the responsibility of the listing broker.

Note 4: Multiple listing services, at their discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval, and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction. (Amended 5/10)

Note 5: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction. (Adopted 11/05)

Note 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales if allowed by local rules, must be communicated through dedicated fields or confidential “remarks” available only to participants and subscribers. (Amended 5/09)

Section 5.0.1 Disclosing Potential Short Sales

Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants. (Amended 5/09)

When disclosed, participants may at their discretion, advise other participants whether and how any reduction in the gross commission established in the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating

participants. (Amended 5/09)

Section 5.1 Participant as Principal

If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service participants.

Section 5.2 Participant as Purchaser

If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. (Amended 2/92)

Section 5.3 Dual or Variable Rate Commission

The existence of a dual or variable rate commission arrangement (i.e. one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/ landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. (Amended 5/01)

SECTION 6 SERVICE CHARGES

The following service charges for operation of the Multiple Listing Service are in effect to defray the costs of the service and are subject to change from time to time in the manner prescribed: Changes in service charges shall be recommended by the Finance Committee and approved by the board of directors.

[a] Initial Participation Fee

An applicant for participation in the service shall pay an application fee, as determined annually by the board of directors, will accompany the application. The initial broker participation fee is the approximate cost of bringing the service to the participant.

[b] Recurring Participation Fee

The annual participation fee of each participant shall be an amount as determined by the board of directors for each agent, and licensed or certified appraiser who has access to and use of the service, whether licensed as a broker, sales licensee, or licensed or certified appraiser who is employed by or affiliated as an independent contractor with such participant. Payment of such fees shall be made on or before the 1st day of the fiscal year of the multiple listing service. Fees shall be prorated on a monthly basis.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS where the principal broker participates. MLSs may, at their discretion, require waiver recipients and their participants to sign a certification for nonuse of its MLS services, which can include penalties and termination of the waiver if violated.* (Adopted 11/17) M

Note 1: A multiple listing service may elect to have such fees payable on a quarterly or even on a monthly basis. However, added administrative services are necessitated by increased frequency of such payments.

Note 2: Multiple listing services that choose to include affiliated unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate appraisers among those eligible for access to and use of MLS information as subscribers may, at their discretion, charge recurring fees. (Amended 11/17)

*Note: Mandatory waiver provision is effective no later than July 1, 2018.

Financing from the Multiple Listing Service should be adequate but not in such amounts as to be the source of financing the association's operation. The multiple listing service should pay its own way and allow for a reasonable operating reserve, but it is merely another service of the association, and not the principal activity or reason for the association's existence. As, long as it is able to restrict its services exclusively or primarily to association members the service is not properly an association profit center.

Multiple Listing Service that choose to include affiliated un-licensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as licensed real estate appraisers among those eligible for access to and use of MLS information as "subscribers" may, at their discretion, amend Section 6 as necessary to include such individuals in the computation of MLS fees and charges. (Amended 4/92)

SECTION 7 COMPLIANCE WITH RULES

Section 7 Compliance with Rules-Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a) letter of warning
- b) letter of reprimand
- c) attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d) appropriate, reasonable fine not to exceed \$15,000
- e) suspension of MLS rights, privileges, and services for not less than thirty (30) days not more than one (1) year
- f) termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years (*Amended 11/14*)

Note: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period -of- time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (*Revised 5/14*)

Section 7.1 Compliance with Rules

The following action may be taken for noncompliance with the rules:

- a) for failure to pay any service charge or fee within one (1) month of the date due and provided that at least ten (10) days -notice has been given, the service shall be suspended until service charges or fees are paid in full.
- b) for failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply.

Note: Generally, warning censure, and the imposition of a moderate fine are sufficient to constitute a deterrent to violation of the rules and regulations of the multiple listing service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated

violation of the rules and regulations of the service. If the MLS desires to establish a series of moderate fines, they should be clearly specified in the rules and regulations. *(Amended 11/88)*

Section 7.2 Applicability of Rules to Users and/or Subscribers

Non- principal brokers, sales licensees, appraisers, and others authorized to have access to information published by the MLS are subject to these rules and regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the rules and regulations. Further, failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the participant to the same or other discipline. This provision does not eliminate the participant's ultimate responsibility and accountability for all users or subscribers affiliated with the participant. (Adopted 4/92)

Note: Adoption of Section 7.2 is optional and should be adopted by multiple listing services desiring to establish authority to impose discipline on non-principal users or subscribers affiliated with MLS members or participants. (Adopted 4/92)

Section 7.3 MLS Policy Jurisdiction of Association Multiple Listing Services

Section 7.3.1 Waivers of MLS Fees, Dues, and Charges aka "MLS of Choice"

7.3.1- That MLSs be prohibited from requiring participation by all offices of a real estate firm within the shareholder association(s) jurisdiction, and that MLSs be required to provide a no-cost waiver option of MLS fees, dues and charges for licensees affiliated with an MLS Participant who can demonstrate their subscription to another MLS. Further, that references MLS "jurisdiction" or "territory" be changed to "service area" to reflect the true nature of the location and help eliminate confusion over the jurisdiction of shareholder association(s).

Section 7.4 Jurisdiction of Association Multiple Listing Services Policy

7.4.1 -The **service area** of multiple listing services owned and operated by associations of REALTORS® is not limited to the jurisdiction of the parent associations(s) of REALTORS®. Rather, associations are encouraged to establish multiple listing services that encompass natural market areas and to periodically reexamine such boundaries to ensure that they encompass the relevant market area. While associations are encouraged to work cooperatively to establish market area multiple listing services, the absence of such an agreement shall not preclude any association from establishing and maintaining a multiple listing service whose service area exceeds that of the parent association require to participate in the MLS if any office of that firm participates in that MLS. (Revised 5/02)

Waivers of MLS Fees, Dues, and Charges (Policy Statement 7.4)

7.4.2 Recurring MLS fees, dues, and charges may be based upon the total number of real estate brokers, sales licensees and licensed or certified real estate appraisers affiliated with or

employed by an MLS.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS where the principal broker participates. MLSs may, at their discretion, require waiver recipients and their participants to sign a certification for nonuse of its MLS services, which can include penalties and termination of the waiver if violated.

(Amended 11/96)

If, rather than conducting an administrative review, the multiple listing committee has

a procedure established to conduct hearings, the decision of the multiple listing committee may be appealed to the board of directors of the association of Realtors® within twenty (20) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the association's grievance committee for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the association of Realtors®. (Amended 2/98)

Section 9.2 Complaints of Unethical Conduct

All other complaints of unethical conduct shall be referred by the committee to the Professional Standards Administrator (CEO of the Association of Realtors® for appropriate action in accordance with the professional standards procedures established in the associations bylaws. (Adopted 11/88)

SECTION 10 CONFIDENTIALITY OF MLS INFORMATION

Such information shall be considered confidential and exclusively for the use of participants and real estate licensees affiliated with such participants and those participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such participants. (Amended 5/16)

Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. (Amended 11/97)

- CMAs & comparables prepared for a particular property and a particular person.
- Use of compilations for demonstration of market share, or to compare firms are authorized as described in Section 10.3, of the MLS Rules and Regulations.

- Marketing materials using any data you choose for listings in which you are the listing agent. The selling agent may also use the data for this purpose, but only after the sale has closed.
- Marketing materials with aggregate statistics drawn from the MLS and footnoted as “Based on information from the GRAND JUNCTION AREA REALTOR® ASSOCIATION, MLS for the period (date) through (date).”

Examples of unacceptable use:

- Use of compilations to compare the performance of individual agents (in a presentation to a potential seller). Because of how some teams and brokers report activity, statistics on individuals may be inaccurate and misleading.
- Providing a list of properties to a non-MLS member to help them in “their” business (such as a list of properties with "pending" status provided to a friend or relative with a moving company to help him get new business).
- Sending unsolicited data (usually mass mailings) on any properties not in sold status for which you are not the Listing Agent or on any properties in Sold status that do not comply with the sold listing data policy.

Awards: The obligation to arbitrate includes the duty to either 1) pay an award to the party(ies) named in the award or 2) deposit the funds with the Professional Standards Administrator to be held in an escrow or trust account maintained for this purpose. Failure to satisfy the award or deposit the funds with the association within ten (10) days may be considered a violation of the MLS rules and may subject the participant to disciplinary action at the sole discretion of the MLS. (Adopted 11/15) O

becomes effective upon expiration of any existing exclusive agreement. (Amended 1/98) ○

Standard 16.11

In cooperative transactions, MLS participants shall compensate cooperating MLS participants (principal brokers) and shall not compensate nor offer to compensate, directly or indirectly, any of the sales licensees employed by or affiliated with other MLS participants without the prior express knowledge and consent of the cooperating broker. ○

Standard 16.12

MLS participants are not precluded from making general announcements to prospects describing their services and the terms of their availability even though some recipients may have entered into agency agreements or other exclusive relationships with another MLS participant. A general telephone canvass, general mailing, or distribution addressed to all prospects in a given geographical area or in a given profession, business, club, or organization, or other classification or group is deemed general for purposes of this rule. (Amended 1/04)

The following types of solicitations are prohibited:

(Amended 1/04) ○

Standard 16.13

MLS participants, prior to entering into a representation agreement, have an affirmative obligation to make reasonable efforts to determine whether the prospect is subject to a current, valid exclusive agreement to provide the same type of real estate service. (Amended 1/04) ○

Standard 16.14

MLS participants, acting as buyers or tenants' representatives or brokers, shall disclose that relationship to the seller/landlord's representative or broker at first contact and shall provide written confirmation of that disclosure to the seller/landlord's representative or broker not later than execution of a purchase agreement or lease. (Amended 1/04) ○

Standard 16.19

All dealings concerning property exclusively listed or with buyer/tenants who are subject to an exclusive agreement shall be carried on with the client's representative or broker, and not with the client, except with the consent of the client's representative or broker or except where such dealings are initiated by the client. (Amended 1/04)

Before providing substantive services (such as writing a purchase offer or presenting a CMA) to prospects, MLS participants shall ask prospects whether they are a party to any exclusive representation agreement. (Adopted 1/03, Amended 1/04) ○

Standard 16.20

Participants, users, and subscribers, prior to or after their relationship with their current firm is terminated, shall not induce clients of their current firm to cancel exclusive contractual

agreements between the client and that firm. This does not preclude participants from establishing agreements with their associated licensees governing assignability of exclusive agreements. (Adopted 1/98, Amended 1/10) ○

MLS participants shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. SECTION 18 INTERNET DATA EXCHANGE (IDX)

Section 18 IDX Defined

IDX affords MLS participants the ability to authorize limited electronic display and delivery of their listings by other participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listing. (Amended 5/17) **M**

Option #1: Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. *

*Even where participants have given blanket authority for other participants to display their listings through IDX, such consent may be withdrawn on a listing-by-listing basis where the seller

has prohibited all Internet display or other electronic forms of display or distribution. (Amended 05/17)

Section 18.2 Participation

Participation in IDX is available to all MLS participants who are REALTORS® and who consent to display of their listings by other participants (Option #2)

Section 18.2.1

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. (Amended 05/12).

Section 18.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. (Amended 05/12)

Section 18.2.3

Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution. (Amended 05/17)

Section 18.2.4

Participants may select the listings they choose to display through IDX based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right-to-sell or exclusive agency), or the level of service being provided by the listing firm. Selection of listings displayed through IDX must be independently made by each participant. (Amended 5/17)

Section 18.2.5

Participants must refresh all MLS downloads, and IDX displays automatically fed by those downloads at least once every twelve (12) hours. (Amended 11/14)

Section 18.2.6

Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. (Amended 5/12)

Section 18.2.7

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. (Amended 05/12).

Section 18.2.8

Any IDX display controlled by a participant or subscriber that allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing, either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 16.2.9, a participant’s IDX display may communicate the participant’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. *(Adopted 5/12)*

Section 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. *(Amended 5/12)*

Section 18.2.10

An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. *(Adopted 11/14)*

Section 18.2.11

Participants shall not modify or manipulate information relating to other participants' listings. MLS participants may augment their IDX display of MLS data with applicable property

information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields. (Adopted 05/15) M

Section 18.2.12

All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.* (Amended 05/17) M

*Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application. (Amended 5/17)

Section 18.3

Display of listing information pursuant to IDX is subject to the following rules:

Note: All of the following rules are optional but, if adopted, cannot be modified. Select those rules which apply to your IDX program and number the sections accordingly.

Section 18.3.1

Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. (Amended 5/12)

Section 18.3.1.1

The type of listing agreement (e.g., exclusive right to sell, exclusive agency, etc.) may not be displayed. (Amended 5/12)

Section 18.3.2 Deleted May 2015.

Section 18.3.4

All listings displayed pursuant to IDX shall identify the listing agent. ○

Section 18.3.5

Section 18.3.6 Deleted November 2006

Section 18.3.7

All listings displayed pursuant to IDX shall show the MLS as the source of the information. (Amended 05/17)

Section 18.3.8

Participants (and their affiliated licensees, if applicable) shall indicate on their websites that IDX information is provided exclusively for consumers' personal, noncommercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability. * (Amended 05/17) O

*Displays of minimal information (e.g., "thumbnails", text messages, "tweets", etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application. (Amended 05/17)

Section 18.3.9

The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance shall be limited to fewer than five hundred (500) listings or fifty percent (50%) of the listings available for IDX display, whichever is fewer. (Amended 11/17) O

Section 18.3.10

The right to display other participants' listings pursuant to IDX shall be limited to a participant's office(s) holding participatory rights in this MLS.

Section 18.3.11

Listings obtained through IDX feeds from Realtor® Association MLSs where the MLS participant holds participatory rights must be displayed separately from listings obtained from other sources. Listings obtained from other sources (e.g., from other MLSs, from non-participating brokers, etc.) must display the source from which each such listing was obtained.* (Amended 05/17) O

Note: An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. (Adopted 11/14)

*Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application. (Amended 05/17)

Section 18.3.12

Display of expired, withdrawn, and sold listings** is prohibited. (Amended 11/15) O

**Note: If “sold” information is publicly accessible, display of “sold” listings may not be prohibited. (Adopted 11/14)

Section 18.3.13

Display of seller(s) and/or occupant’s(s’) names(s), phone number(s), and e-mail address(es) is prohibited.

Note: The following Sections 16.3.14 and 16.3.15 may be adopted by MLSs that provide participants with a “persistent” download (i.e., where the MLS database resides on Participants’ servers) of the MLS database.

Section 18.3.14

Participants are required to employ appropriate security protection such as firewalls on their websites and displays, provided that any security measures required may not be greater than those employed by the MLS. (Amended 05/12)

Section 18.3.15

Participants must maintain an audit trail of consumer activity on their website and make that information available to the MLS if the MLS believes the IDX site has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by consumers. (Amended 5/12)

Section 18.3.16

Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information is larger than that of any third party. (Adopted 11/9)

Section 18.4

Service fees and charges for participation in IDX shall be as established annually by the Board of Directors. (Adopted 11/01, Amended 5/05)

SECTION 19 VIRTUAL OFFICE WEBSITES (VOWs)

Note: Adoption of Sections 19.1 through 19.14 is mandatory.

Section 19.1 VOW Defined

1. A "Virtual Office Website" (VOW) is a participant's Internet website, or a feature of a participant's website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant's oversight, supervision, and accountability. **M**
2. As used in Section 19 of these rules, the term "participant" includes a participant's affiliated non-principal brokers and sales licensees—except when the term is used in the phrases "participant's consent" and "participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an "Affiliated VOW Partner" (AVP) on behalf of a participant. **M**
3. "Affiliated VOW Partner" (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant's supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW. **M**

As used in Section 19 of these rules, the term "MLS listing information" refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by

the MLS to participants. **M**

Section 19.2

1. The right of a participant's VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices. **M**
2. Subject to the provisions of the VOW policy and these rules, a participant's VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., "Internet Data Exchange" (IDX). **M**
3. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant's VOW. **M**

Section 19.3

1. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.
 - a. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
 - b. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.
 - c. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password. **M**
2. The participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant.

The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password. **M**

3. If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant. **M**
4. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
 - a. that the Registrant acknowledges entering a lawful consumer-broker relationship with the participant
 - b. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
 - c. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
 - d. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
 - e. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database **M**
5. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click. **M**
6. The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW.
