Leadership at GJARA is a great way to ensure that your association is serving the interests of its members and you can be an active part of the process. Volunteers are the infrastructure of all REALTOR® associations, whether local, state or national. It all starts here...at your local association where we value your input and need your voice.

To serve on a Committee or Taskforce you simply determine which is interesting to you and let us know. We will plug you in with the Chairman and you can immediately start participating.

To be an Officer on the Executive Committee you must first have served on the Board of Directors at any time and at any REALTOR® Board of Membership.
